

PRODUCT DATA SHEET

Termination Base

Introduction :

The Globalsix Termination Base assistance tool aids in the dressing of wires onto keystone jacks prior to termination and is an invaluable tool for producing 110 impact terminations without risk to hands or surrounding surfaces.

Features:

- Works for vertical and horizontal jack versions
- Allows fixed surface for punching down wires
- Maintains gas tight IDC connections
- Minimizes return loss & cross talk
- Multi use keystones can be used in Termination Base

Applications:

- Premise wiring
- Cable assemblies
- For use in Globalsix's Cat5e, Cat6 & Cat6A installations
- Aids in the dressing and placing of wires into keystone jacks
- Reduces damage to installer hands and or surfaces
