

PRODUCT DATA SHEET

Globalsix Velcro Strip Tie

Introduction :

The Globalsix Velcro Strip Tie is constructed of soft, premium material that is safe to use on high performance cables to protect against over-tensioning. The Velcro strip tie is adjustable, releasable, and re-usable making it ideal for applications requiring frequent moves, adds, or changes.

Features:

- Strong, low-profile, flexible material; safe to use on high-performance cabling
- Adjustable, releasable, and reusable
- Cost effective for general purpose bundling
- Continuous rolls can be easily cut to size
- Leaves no residue
- Available in black

Applications:

- Network Cables
